### PRAYERS FOR THE SICK

We have several St. Anne community members who are presently experiencing illness. Please keep these people, and their families, in our prayers in their time of need. May they find comfort in our love and support.

## ST. ANNE'S MUSIC

The Mass setting throughout the rest of Paschaltide remains **Mass I** with **Credo III**. The Marian Antiphon of the season is the **Regina Caeli** and until Pentecost inclusive, the **Vidi Aquam** is sung in place of the **Asperges Me**.

**MUSIC BOOKLETS FOR SUNDAY SUNG MASS:** The Mass Ordinary of Paschaltide will be unfamiliar to many; recordings can be found and rehearsed at the following link: <https://www.ccwatershed.org/kyriale/>

**ST. ANNE'S CHOIR:** The St Anne's Church Choir is looking for new members to join in its regular schedule of Sung Masses on Sundays and feast-days. Rehearsals are held 30 minutes before Mass. For more information, please email [stannebelmont.music@gmail.com](mailto:stannebelmont.music@gmail.com)

**LET'S SING WITH THE POPE:** Recently, the Pontifical Institute for Sacred Music launched a new initiative, entitled *Let's sing with the Pope*, consisting of a series of short educational videos on social media to assist people with singing along with the Holy Father in upcoming liturgical celebrations: <https://www.youtube.com/watch?v=7nNbnUHWgk4>

According to the Institute's Instagram account, the initiative 'aims to make the rich heritage of Gregorian chant accessible to all—a universal musical and spiritual language for celebrations such as papal Masses and to promote active and conscious participation in the liturgy. The Institute was established by St Pius X in 1910 to educate and train musicians in plainchant, organ and the rich musical heritage of the Church.

St Anne's Belmont supports the vision of making the Church's rich plainchant heritage accessible to all through customised booklets for congregational singing of the Mass Ordinary. Everyone is invited to sing the bolded sections each week and in so doing to fulfil an essential role at the Solemn Mass.

### Sources in Liturgical Music

Gregorian chant is...the means of active participation (again *actuosa participatio*), but this is a hierarchical participation, where each participant, whether, priest, choir, or congregation, plays a proper part. William Mahrt, *The Musical Shape of the Liturgy* (2012), p. 147.
